ITXcelerate Program
Frequently Asked Questions (FAQs)

Q: What is the nature of the program's study format, is it conducted in-person or virtually? If it's in-person, where will the classes be held?

A: The Dell program courses will be delivered in a physical classroom setting at the prestigious NITA campus. Additionally, Dell Job Shadowing will take place at the Dell Saudi office in Riyadh.

Q: Will participants receive a monthly stipend during the study period? And will they be registered under the (GOSI) program?

A: No, the program is designed as an unpaid certification with valuable job shadowing opportunities.

Q: Are the admission assessments and personal interviews conducted in-person or online? If they are in-person, where will these take place?

A: The initial assessment will be conducted through an online quiz, while the final interview will be conducted virtually.

Q: How will communication be established with applicants?

A: All communications will be sent via email, which is the primary mode of contact.

Q: What is the application process?

A: The application period is open from June 3rd to June 13th. To apply, please visit https://nita.edu.sa/ITXcelerate-Program for the registration portal.

Q: Are there any tuition fees associated with the program?

A: No, the ITXcelerate program is offered to selected candidates completely free of charge.

Q: Are transportation and accommodation provided?

A: Transportation and accommodation are not provided as part of the program. Participants are responsible for their own arrangements in this regard.

Q: What are the expected deliverables and assignments for the program?

A: The program entails two examinations to earn your Dell Proven Professional Certificates, alongside a final project submission.

Q: What is the anticipated time commitment for this program?

A: The program requires your dedicated participation every weekday, from 8 AM to 4 PM, spanning across a duration of 15 weeks.

Q: Is there a specific number of allowable absences?

A: Full attendance throughout the program is required. In the event of any necessary absences, please communicate these at least one day in advance with a valid reason.

Q: Will participants be awarded a certification upon completion?

A: Absolutely. Participants will receive a certificate of program completion, endorsed by Dell, Aramco, and NITA.

Q: What are the industry certifications provided?

A: Upon successful completion of the exams, participants will receive the highly regarded Dell Proven Professional certifications for Information & Storage Management V5 (ISM) and Data Science & Big Data analytics v2. These certifications augment your industry recognition, substantiating your skills and unveiling pathways to exciting prospects.

Q: When can applicants expect to receive notification of their application status?

A: Successful candidates will be informed of their selection status on or before July 14th, 2024.

Q: How can I contact the program for further inquiries?

A: For additional queries, please reach out to us at ITXcelerate@nita.edu.sa.
